COMPACT CONTROLLER MICROPHONE

UIC500

GME Commercial continues to deliver on its promise of technical innovation. Designed, engineered and manufactured in Australia, the UIC500 is the latest addition to the GME Commercial range of products. Compatible with all GME Commercial CM Series radios, the UIC500 is sleek, compact and built to perform in tough commercial environments. Dust tight and waterproof to a depth of 1 metre for 30 mins (IP67) and built to military grade specifications (MIL-STD-810G) the UIC500 comes backed with a 12-month warranty.
