

Introducing ...

The AceComms Battery

AceComms is introducing a new AceComms branded battery to provide a cost-effective alternative to branded batteries, some of which have been discontinued. These new batteries have been extensively tested in the field and are found to be suitable and reliable replacements.

These batteries have been certified to ISO9001, CE, IEC and FCC standards.

Why you should consider the new AceComms battery:

Quality Certified Product

Higher Capacity

Tried & Tested by Industry Professionals

Competitively Priced

Reliable - 12 hours+ Durability

Non-Impres but fits all existing charging equipment

The new AceComms batteries are now in stock and are ready to ship.

"the battery performed just like any other battery on site ..."
